How we wish to participate: as a group in the Italian section in the International section

Which class did you attend in the 2011 – 2012 school year _____

Name of the school _____

Town _____ Province _____ State _____

In case schools and/or classes are different please indicate only the town and the province. The rest of the details required will be provided in the application form which will be sent together with the work and all the required authorizations and disclaimers for free use.

In which section do you want to present your work:

(if you have doubts, please read the Regulation ART 4)

[A] [B] [C] [D]

We declare to have read and accepted the regulation in all its parts, including those related to the authorizations and the disclaimers (release for use of personal data, images, videos, recordings, photos, participation to the event), as well as the free assignment of the rights on the work to “Il Refuso”.

We pledge to send the application form duly completed in all parts together with the presented work and the pre-registration number.

I authorize you to contact me at the contacts provided for information on the project and other information related to environment and its safeguard, to the environmental technologies, to youth and journalism.

We intend to take part in the preparatory activities to the themes of the gNe5 contest, therefore we invite you to inform us of such events.

ALL FIELDS ARE REQUIRED
